

Newsletter June 2018

Hello ,
We have got pension news for you.

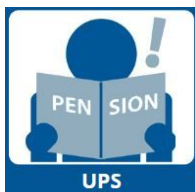

Annual Report 2017

The PDN Annual Report for 2017 has been published and can be downloaded or viewed online. You can find the Annual Report at www.pdn-jaarbericht.nl or on our website <https://www.pdnpensioen.nl/> under Downloads > Annual report.

Uniform Pension Statement (UPS) 2018

Are you an active member, pensioner, or deferred member (sleeper) of PDN? We have started sending out the UPSs. You will receive your UPS in your digital mailbox in "My PDN pension" or on paper at your home address if you have indicated that you do not want to use PDN digital mail.
As we cannot send out all the UPSs at once, we are starting with the pensioners. We will be sending out UPSs until the end of September.
You can also watch the animated film for more information about the content and possibilities of the UPS.

New version of PDN Pension Planner

Planning your pension: get on top of things!

Are you an active or deferred member? The new version of the pension planner is available in "My PDN pension" on the PDN website, with more recent data. You can use the planner if your pension has been converted to 67 years of age with effect from January 1, 2017.

The range of options in the planner for the basic scheme remains the same. As a result, you can still correct a shortfall in your own or your partner's state pension by using the "high/low" construction. From January 1, 2017, onwards, the statutory state retirement age is 67 years and 3 months. Simulating semi-retirement, early retirement, and conversion of your partner's pension remains possible as well. According to regulations, claiming a pension as a semi-retired pensioner is only possible for active members.

No change to the investment policy

The close monitoring of market developments and assessment of whether changes to the investment policy are required is one of the areas that PDN's Committee for Investment and Financial Risks (Commissie Beleggingen en Financieel Risicomanagement, CBFR) focuses on.

After a thorough investigation, the CBFR advised the board against making changes to the investment policy.
