DNB approves Pensioenfonds PDN's transition to new pension system!

The Board of Pensioenfonds PDN is proud to announce that De Nederlandsche Bank (DNB) has given the go-ahead for the transition to the new pension system effective 1 January 2027. It is a major milestone on the way towards the new pension scheme.

This decision marks the culmination of an intensive process that took place during the summer of 2026. In this process, employers, trade unions, the Association of DSM Netherlands Pensioners (VDP), Pensioenfonds PDN and DNB worked closely together. The ultimate result is that by means of in-depth consultations and open dialogue, we now have a Transition Decision 2.0 that does justice to the interests of everyone with a pension at PDN.
